

Maria Espinoza

Maria has been with FISH since 2017, when she began after Hurricane Irma as a volunteer. Her talents were evident and the organization brought her on as a full time employee quickly. Throughout her four-year tenure with FISH, Maria has played a critical role in FISH's operations and growth, particularly in Food Programs, as she's held various positions within FISH.

She has volunteered at various non-profits in Lee County including Salvation Army's Center of Hope, Boys and Girls Club of Lee County, and Junior Achievement Programs on SWFL. Before working at FISH, she taught foreign language to elementary students. "I'm so grateful to be part of FISH team and continue to make a real difference within the Sanibel and Captiva Island community. I feel extremely encouraged by the support of the FISH Board and exceptional team of dedicated professionals and volunteers," states Maria. "As we celebrate our 40th anniversary, it's been interesting to review the history of FISH and see how we've grown. I'm excited to be an integral part of the future of FISH and the community we serve."

For 40 years, FISH has been a "neighbors helping neighbors" organization as the islands only wrap-around service provider offering a wide range of human services. FISH works through donations, and, with their professional staff, provides assistance to those that live, work or visit Sanibel and Captiva.

Pres. Dan Detrick

I will say without hesitation that our members put together excellent programs. I learned a lot about the commercial and residential real estate market. I also discovered a lot about our members on the panel: Tom Kiessling, Angel Bracero, Brandon Kinsey, Sarah Mack, Tom Woodard, and Don Molloy. We have a lot of intelligent members in our club, who knew? I want to thank all the panelists, and I wish we had more time. I still have a lot of questions. But fear not; Real Estate Forum Part II is already in the works.

Maria Espinoza, the executive director of SanCap, F.I.S.H, will speak to us on Tuesday. They are a human services organization focused on 'neighbors helping neighbors' with a vision to create communities where all people have the support they need to thrive. Their mission is to enrich the lives of all people in Sanibel and Captiva Islands with social services, education, and assistance.

Anyone living in SWFL knows the devastation Hurricane Ian brought to the islands of Sanibel and Captiva. I am sure glad F.I.S.H and other organizations are around to help our neighbors through the unprecedented destruction Hurricane Ian brought to the islands. September 23, 2022, and the following days, months, and years will not be soon forgotten.

See you Tuesday!
